REMINDER:

\$1000 referral bonus if you refer an Experienced Petroleum Driver who we hire!

I want to thank all the Transport Drivers for their patience while waiting for us to roll out the "Hourly Pay" plan option.

Welcome to the dog days of summer!

The heat does not stop us from having to work outside so remember:

- *Hydrate, drink lots of WATER!
- *Keep a wet cloth/bandana with you if you are outside for a while.
- *Stop and find a place to cool down if you have nausea, rapid breathing, flushed skin or racing heart.

We want everyone to be safe at all times.

Happy Summer!
 ~Chris Shaffer

The summer season has almost come and gone. It's hard to believe that the kids will be back in school in the next few weeks and the last big gas holiday is 4 weeks away. Please continue to be safe, load properly, deliver correctly, stay current with you logs and paperwork, and get back to your family.

Our logistics team has also continued to grow. Please welcome Clay Prevost to the Seale family. Clay has joined us with over 17 years of experience in the transportation and logistics industry. His last several years have been spent in the petroleum field and we are very excited to have Clay on board. JH Seale is continuing to take make moves in growing our name and our business in the Southeast. Over the past month, we have added new business and expanded many of our current businesses. THANK YOU to EVERYONE who has helped make this possible. God Bless each and every one of you and please be very safe in all that you do.

~ Bill Russell
