J.H. Seale & Son Newsletter

Please take the time to contact Wendy, Brad, Carlos, or Chris to get a better description of our newly implemented benefits. Communication and understanding is key. Be knowledgeable about exactly what we are doing and how we are improving. That makes it easier to recruit a potential driver that you feel would benefit our team. We are happy to announce a \$500 bonus, paid in full at time of hire, for any new hire who is recruited by you. Make sure your prospect lists you when asked "How did you hear about JH Seale". Happy holidays to all of you and your families.

So long 2020 and welcome 2021. After a year of firsts in our industry, we now prepare for a more positive and prosperous new year.

There will be new business, new employees, new ideas and some new equipment. Let's all start the new year thinking about what we can all do to make our company better. It takes everyone's effort to go from good to great. Please have a safe and happy New Year's Eve and day. Thank you for being apart of our great company.

## SAFETY CORNER

### Focus on driving

- \* Keep 100% of your attention on driving at all times – no multi-tasking.
- \* Don't use your phone or any other electronic device while driving.
- \* Slow down. Speeding gives you less time to react and increases the severity of an accident.

### Drive "defensively"

- \* Be aware of what other drivers around you are doing, and expect the unexpected.
- \* Assume other motorists will do something crazy, and always be prepared to avoid it.
- \* Keep a cushion between you and the car in front of you.
- \* Make that cushion bigger if the weather is bad.
