As we all are aware, summer is here and the fuel demand is high. Now we must take aggressive measures to overcome this situation.

What crazy 2 quarters we have been through! With half the year down and every gas station in the southeast up on sales, please continue to be safe and efficient with all deliveries. As many of you are aware, we are on short drivers and we could use your help. Please talk to your fellow petroleum drivers and help bring them over. JH Seale's business continues to increase and it would NOT be possible without each and every person on the team.

We are now coming up on the 2nd big holiday weekend and I ask that if you can assist with some extra hours and days to please contact Megan or dispatch to get you on the schedule. THANK YOU for all that you do! Please be very careful and safe out there this holiday weekend and every day! May you and your families have a safe and Happy 4th of July.

HAPPY 4TH OF JULY!

One of my favorite foods for a cookout are Brats, specifically Beer Brats with cheese sauce. Just boil your brats in beer and throw them on the grill to brown!

And to top that off I love this cake and I have included the link to the recipe.

You can either use peanuts or pecans and if you put blueberries in the top corner you can make it look like a flag!

Please be safe and have fun while enjoying your fireworks!
