We are still looking for EXPERIENCED Petroleum Drivers in the following markets:
Charlotte, NC ~ North Augusta, GA
Sumter, SC ~ Spartanburg, SC
Florence, SC ~ Columbia, SC
Remember! \$1000 referral bonus for Experienced Petroleum Drivers!

The summer season is upon us and the "pandemic" restrictions are slowly being lifted. As I have been in contact with our customers each have seen an increase of sales over the last couple of weeks. That is great news for us as a carrier company and our drivers.
We have added more "keep fill" stores to our customer base and this has been a direct reflection to our logistics team. I want to personally thank our dispatch team for staying on top of current stores and tanks to keep these customers rolling. I also want to personally thank our staff of professional drivers for their dedication, hard work, and overall great efforts!
As we are rolling through May, I ask everyone to begin preparing for the biggest gas holiday of the year. Although it may not be "as" busy as past years, I fully anticipate it to be a very busy week and weekend. Let's all work together, work harder, and continue to grow better. One team, same dream!!
Thank you!
Bill

I know we are all going through some trying times right now. Nothing we ever expected to see in our lifetimes. I appreciate all the sacrifices that have been made for J.H. Seale & Son and your fellow coworkers to see all of us come out on the other side of this safe & financially healthy. We have some rather extraordinary employees here and you have definitely showed your mettle even before this pandemic. Keep up the great teamwork! None of us would make it without all of us.
