

J.H. SEALE NEWS

J.H. Seale & Son Monthly Newsletter

October is already among us which means cooler weather, football, and... I'm getting married! As we continue to grow at J.H. Seale & Son, I want to remind you that we cannot grow without hard work and teamwork. I appreciate everyone working together and doing their part. I value each and every one of you and I look forward to continuing the journey together. Be safe!

~Trey

Benefits Open Enrollment for 2021 coming soon!

As you all know we have an open enrollment period every year for you to sign up for your health, vision, dental, voluntary life, STD & LTD insurance. We expect our open enrollment period to be between Nov. 2-20, 2020. This is still subject to change.

We will have more coverage options this year for you to choose from and will be sending out e-mails with this update and the open enrollment period so **please check your e-mails frequently in the upcoming weeks.**

Thank you!
Chris Shaffer

SAFETY CORNER

REDUCESPEED IN ADVERSE WEATHER CONDITIONS You should reduce your speed by 1/3 on wet roads

ENTER A CURVE SLOWLY 40% of speed-related fatalities occur on curves

REDUCE SPEED WHEN APPROACHING ENTRANCE/EXIT RAMP 20-30% of all large-truck crashes occur on or near ramps

DRIVE SLOWLY WITH A LOADED TRAILER Large trucks with fully loaded trailers are 10 times more likely to roll over than those with empty trailers.

SLOW DOWN IN WORK ZONES Nearly a quarter of all work-zone deaths in 2006 involved a large truck
