Comments from Chris

It's hard to believe that summer is coming to an end! School is back in session and the days are getting shorter, reminding us to stay alert and safe on the roads. To kick off the return of fall, we have a three-day weekend to remind us of "labor" as we rest. Hope your time is spent with the ones you love and filled with much joy, laughter and peace.

Defense! Defense!

Defense is not just in football!

Drivers have to constantly expect the unexpected. Be vigilant! Be on the lookout for unexpected road conditions, distracted drivers, and motorists who may not understand how commercial vehicles operate.

Scan ahead. Check intersections. Be mindful of approaching traffic. Anticipate traffic issues, be vigilant in work and school zones.

Safety is our #1 priority!
